

If at first you DO succeed... try not to be so surprised.

The **SIMPLE Managing Partner Program** is an opportunity to work with SIMPLE WORLDWIDE, a veteran in authorized electronic components distribution, manufacturing and supplier of cable harnesses assemblies.

SIMPLE believes there is still great demand and advantage in personal local customer service through offering quality cost reducing products from unlimited sourcing. A **Qualified Managing Partner** receives top-notch engineering support, builds self monitored profit margins and operating costs with management team flexibility to rival any competitor.

The SIMPLE Managing Partner Program features these key returns:

- **Qualified Managing Partners (QMP)** have unrestricted earning potential while creating their own business.
- **QMP's** get a designated protected territory with ownership and revenue based on an agreed to participation.
- **QMP's** utilizing their knowledge and desire to build and maintain a successful business, will have control of their own destiny.

All with no up-front investment!

Want your time and experience to equal your success?

Well then it's time for you to experience the SIMPLE way of doing business.
